WE OWN EVERYTHING. NO LICENSING FEES. EVER.

🌟 VILLA AGAPE - THE HEART OF OUR MISSION

Two of our founders are cancer patients in remission. The mom of another founder is also a cancer patient in remission.

Villa Agape is our way of giving back - a home-away-from-home for cancer patients with:

- Clean air, good water, healthy environment
- IoT vital monitoring (smart mattresses detect heart rate, breathing)
- Fall detection sensors in every room
- On-site clinic with Kelsey-Sebold partnership
- Transportation to MD Anderson & Memorial Herman
- $^{24}/_{7}$ security shared with Pisces Resort
- Smoke-free, alcohol-free environment
- Love-centered care

This is personal. This is our legacy.

⚡ ENERGY INDEPENDENCE

VC Energy will power the entire empire:

- **Solar farms** at all properties
- **Geothermal** at data center campus
- **Gas flare capture** - turning waste methane into power
- **Modular power stations** - mobile, relocatable

Cost per kWh:

- Grid average: $0.12
- Our solar: $0.03
- Our geothermal: $0.02
- **Savings: 60-80%**

🚀 ATHLYNX AI - THE CROWN JEWEL

Live at: **athlynx.ai** (athlynxai.manus.space)

- 150+ pages built
- 7 AI agents
- NIL marketplace
- Stripe payments integrated
- $50M revenue target
- **The Perfect Storm**

🙏 THANK YOU

To my partners, advisors, and family - thank you for believing in this vision.

Tomorrow, dreams will come true.

Faith. Country. Leadership.

MIC DROP. FOCKER OUT.
